

Helping universities get the most out of their investment

We're passionate about helping universities improve their performance of commuter programs via listserv to foster peer-to-peer exchanges, FAQs, university employer case studies, webinars, and other resources.

Our program recognizes universities that are helping change how America commutes

Whether you are concerned with employee job satisfaction, finances, maintaining a positive institutional image, or improving quality of life in your community and the global environment, Best Workplaces is a natural choice to meet your needs.

"BWC has been a great source of information and ideas for George Mason University as we work to support the needs of nearly 7,000 employees. Being recognized as a Best Workplace is a recognition that the University is proud of and uses the designation when promoting our services to faculty and staff."

—Josh Cantor
George Mason University

Members offer exceptional commuter benefits to more than **one million** employees

Did you know?

"A university that is recognized by our program is standing firmly behind its commitment to provide progressive and effective commuter programs to those traveling to its campus."

—Julie Bond, Program Manager
Best Workplaces for Commuters

Top employee benefits offered

Secure bicycle parking • Transit subsidies • Lockers & showers onsite • Ridematching assistance • Healthy employee initiatives • A designated Employee Transportation Coordinator • Commuter kiosk • Flextime

How to participate

- 1 Visit our website to see if you qualify
- 2 Apply online at bestworkplaces.org/join/
- 3 Universities are announced each January through a national press release

15 million fewer cars would be on roads each day if half of all employees were participants!

We offer the following benefits, exclusively for members:

- National public recognition for being commuter-friendly and socially responsible.
- Free Commuter Choice Certificate classes for one person per worksite (\$250 value).
- University listed on national website.
- Exclusive use of the Best Universities for Commuters logo on your website and materials.
- Web conferences and training opportunities to help you get the most from your commuter benefits.
- Tools to help you calculate financial, environmental, and traffic improvements associated with your commuter benefits.
- Networking opportunities to exchange ideas with peers and experts in the field.
- Social Media Toolkit to help promote your BWC status.
- Low-cost membership dues per worksite annually.
